

the

PREECLAMPSIA FOUNDATION'S

fifth annual walk-a-thon

Abingdon High School
Walking Track

(Beside High School on Thompson Dr.)

Sat., May 9, 2009

Registration: 9:30 a.m.

Walk Starts: 10:00 a.m.

Distance: 2 miles

*A national walk
to support preeclampsia
awareness and education*

Preeclampsia – sometimes called toxemia – is a life-threatening disorder of pregnancy that can affect the mother *and* the baby. 200,000 mothers are affected every year in the U. S.

Register at www.preeclampsia.org
