COMMUNITY

You kept our **COMMUNITY**

connected, educated, and supported by hosting 37 Promise Walk events with almost double the number of teams over the previous year, launching the “Ask About Preeclampsia Tests” video and graphic in English and Spanish, helping over 7,800 visitors engage with our Expert Directory, and training 127 survivors to become certified Patient Family Partners.

HEALTHCARE

You strengthened **HEALTHCARE**

by training almost 400 healthcare professionals, distributing nearly 10,000 Cuff Kits, and over 275,000 patient education materials.

RESEARCH

You furthered **RESEARCH**

by supporting 128 investigator requests and attracting 72 research grant applications, all of which demonstrate that the research community is increasingly relying on us to meet a growing need for funding and data to advance scientific discovery. We funded \$200,000 in new research proposals.
